**KEEP YOUR  
BUSINESS CLEAN**

**BACK TO  
WORK**  
LET'S STICK TOGETHER

**Dear Valued Würth Canada Customer,**

Across the country, all provinces and territories are slowly easing into their 'Back to Work' plans, and getting us all accustom to our 'new normal' life.

As excited as we are here at Würth to get back to work - we also understand that a lot has changed. With many new safety measures and social distancing procedures having been put into place in various parts of the country, we realize this may change the way we have to work with our customers.

In this brochure, we present to you our product offerings for 'Social Distancing Solutions'. Würth Canada has always offered PPE and Safety Solutions, however we now offer even more for you to set up your business for success, and help customers and staff alike keep a safe Social Distance. From tapes and floor marking solutions, to installation and assembly aid products. All you'll need can be found within this guide.

We look forward to continuing to offer you a world-class sales experience that you have come to know and trust from Würth Canada.

**STAY SAFE!**

spic and span is  
quick and easy!

# HOW TO WASH YOUR HANDS PROPERLY

1

Wet your hands with clean, running water.

2

Lather your hands with soap.

3

Rub your hands together with the soap. Lather the palms and the backs of your hands, your fingertips, nails, the space between your fingers and your thumbs.

Properly washing your hands will take up 20 - 30 seconds.

4

Then, rinse your hands with clean, running water.

5

Dry your hands carefully and do not forget to dry the space between your fingers. In public restrooms, it is best to use a paper towel. At home, everybody should use his or her own towel.

# HYGIENIC TIPS

Wash your hands regularly

Wash your hands with soap & water

Cover a cough or sneeze

Keep your distance

Avoid touching your face

Protect wounds

Keep your workshop clean

Handle food hygienically

Wash your working clothes hot and regularly

Air frequently
